OUR COMPANY

Kafouros Marine Supplies was founded in 1970 and is one of the largest ship supplier companies in Greece.

Throughout that long time we managed to create a reliable cooperation with the biggest marine companies.

KMS is engaged in a wide range of engineering works and ship repairs.

KMS provides the Shipping industry with high quality services, commitment and professionalism to the requirements of the Ship owners and Ship managers in Greece and abroad.

KMS offers a broad range of specialized and high quality works in their workshop and on board.

KMS has a sole aim: to continuously improve the quality of the services that are offered.

Moreover, **KMS** is a member of the **International Ship Suppliers Association** and the **Hellenic Association of Ship Suppliers & Exporters**, since 1970.

SERVICES

Kafouros Marine Supplies offers qualified Technicians and approved materials.

The skilled and experienced professionals at **KMS** are ready to meet the needs of their clients around the world and ensure efficiency, high quality and effectiveness.
